The Monster in the Closet

Junior Achievement (JA) is an opportunity for our 8th graders to assume the role of an "adult for the day". Half of our 8th graders attended on February 4th and other half on the 6th. They travelled to the JA Finance Park in Auburn to take on a life scenario: a career, salary, credit score, debt, a family and financial obligations. They worked on iPads to make their way through various financial decisions.
