The Dieringer School District does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employee has been designated to handle questions and complaints of alleged discrimination: Dr. Judy Neumeier-Martinson, Superintendent: Phone: 253.862.2537; Address: 1320 178<sup>th</sup> Ave E, Lake Tapps, WA 98391.D

THE SPECIAL SERVICES ADVISORY COMMITTEE (SSPAC)  
INTRODUCES:

# PARENT INFO NIGHT

HELPING TO BUILD CONNECTION, SUPPORT,  
COLLABORATION, AND A STRONGER SENSE OF  
COMMUNITY AMONG PARENTS/GUARDIANS AND  
STAFF

---

**JUNE 12<sup>TH</sup>, 2019**

**6-7 PM**

NORTH TAPPS MIDDLE SCHOOL LIBRARY

**20029 12TH ST E., LAKE TAPPS, WA 98391**

---

Please join us for the first Parent Info Night. We hope this will be the first of many. This meeting will be more generic as we want to get feedback on future topics and community needs. Our intent is to provide relevant information but mainly a time/place to bring parents/guardians together and help foster connection with each other and staff. There will be light refreshments provided along with a short informational/inspiring TED talk. This event is intended for adults only and no childcare will be provided.

Just a friendly reminder with the weather getting warmer, we want to make sure and follow the school dress code.

To maintain a climate that supports learning, following specific guidelines must be followed at all times.

Chains, hats, scarves or other head coverings are not to be worn at school

Tank tops, bare midriff halter top, strapless or narrow strap/string shirts are not permitted. Shoulders should be covered at all times.

Undergarments must not be visible.

All dresses and shorts should be longer than fingertip length when arms are held straight down.

Necklines should be appropriate for the school environment.

Shirt bottoms must meet the waistline of pants, shorts and dresses.

All apparel or other items, by printed word or symbol, display or promote alcohol, drugs, tobacco, sex, nudity, violence, gang behavior, discrimination, hate speech or that disrupt the educational climate, are prohibited.

Dress, appearance or fragrances which constitute a clear and present danger to the students' health or safety or which cause interference with work or create a classroom or school disruption will not be permitted.

Any clothing staff deems disruptive or offensive is not allowed.

# WE NEED VOLUNTEERS

for

## NTMS Graduation Ceremony/ Reception/After Party

**Please take a moment to  
look at the signup link  
for opportunities to help!**

[https://www.signupgenius.com/

8th Grade only

Wild Waves trip

Friday June 14th

Grade Check will be  
taken on their

4th Quarter grades

YOU MUST HAVE A  
2.0 GPA & NO F'S

**\*\*\*Extended to this Friday June 7, 2019\*\*\***

## NTMS 2019 8<sup>th</sup> Grade Slide Show Pictures

Are now being collected for ALL 8<sup>th</sup> grade students!

This slide show will be shown at the end of the graduation party  
(about 11:30pm)

**Please Send Pictures:**

➤ **Any One Baby picture**

- Please name Picture file Childs (*last name- first name*)

➤ **Any One Current year picture**

- Please name Picture file Childs (*last name- first name*)

➤ **If a photo is not received a school photo will be used**

**\*\*\* Deadline is June 4th \*\*\***

➤ **Group or Activity pictures from K thru 8th grade years at Dieringer. (if you have any)**

- name Picture files Childs (*last name- first name*) 2, 3, etc. for more.

**\*\*\* Deadline is June 4th \*\*\***

A Dropbox has been created for you to Drop your pictures into:

<https://www.dropbox.com/request/gTf5vWMDzjLHxaUJ16pu>

➤ **Approx. 100 group and event pictures will be used!**

(not all pictures submitted will be used)

- You can send **Questions/Ideas/Thoughts/Concerns** to [hmocmo@mac.com](mailto:hmocmo@mac.com)

LUNCH ACCOUNTS:

- Please check your student's lunch account balance, and make sure it is not overdrawn.
- Balances can be checked through their Family Access account. (Open the "Food Services" tab on the left)
- Accounts should be brought current by June 12<sup>th</sup>.
- Payments can be made through Family Access, cash or check brought to the lunchroom and given to Mrs. Churchill, or by credit/debit card through the NTMS office.
- If you have any questions, please call Mrs. Churchill or Mrs. Trudeau at 253-826-7108.

**A NOTE FROM OUR NURSE - MEDICATION PICK UP AND HEALTH CARE PLANS**

If your student has medication in our health room, please pick it up after school on June 21st, or the week of June 24th. This is especially important if your student will be moving to another school next fall (including within the Dieringer School District). Medication left after this date may be disposed of. Students with potentially life-threatening conditions **MUST** have their medications at school while attending, so those medications must stay at school until after the student is dismissed for the summer.

**ALSO** - Care plans for next year will be emailed home. Please check your email if your student has a health care plan and respond to the email J .

Thank you,

Terry Woodall, R.N.  
School Nurse

## Recommended Vaccinations for School Aged Children

Dear Parents;

Schools in Washington must make information available on Meningococcal and Human Papilloma Virus diseases to parents and guardians of all students entering Grades 6-12. The following vaccinations are recommended by the Washington State Department of Health. These vaccinations are not required for school attendance, but are recommended to prevent the spread of disease:

Meningococcal Disease - This is an infection of the brain and spinal cord. Healthy teens should get one dose of meningococcal vaccine at age 11 through 12 years. Teens who did not get their first dose at that time should get a dose as soon as possible. A second dose is recommended at age 16. Meningococcal disease spreads by direct contact with infected persons by coughing, kissing, or sharing anything by mouth, such as water bottles, eating utensils, lipsticks, or toothbrushes. It can cause pneumonia, bloodstream infection, and meningitis (swelling of the covering of the brain and spinal cord). Fortunately, this life-threatening infection is rare; only about 20-30 cases are reported each year in Washington State. However, even if treated, 10 to 12 percent of people who get it will die from it. Of the survivors, about 11 to 19 percent have complications such as loss of limbs, deafness, nervous system problems, or brain damage. Adolescents and young adults

are more likely to get meningococcal disease, especially if they live in group settings, like college dorms.

Human Papilloma Virus - HPV vaccine is cancer prevention. It provides long lasting protection against the most common cancers caused by HPV. The HPV vaccine is most effective at this age because it produces the most infection-fighting cells, or antibodies, during the preteen years. The HPV vaccine is recommended for all students age 11-12 years and is licensed for all people ages 9-26 years.

Influenza (Flu) Vaccine -recommended each year for all people ages 6 months and older. The flu is contagious before any symptoms appear, so vaccination has the potential to greatly reduce severe illness resulting in hospitalizations and death. Influenza kills approximately 36,000 people per year in the United States.

Please talk with your health care provider about these immunizations so you can make an informed decision for your children. Further information about these diseases can be found on the Center for Disease Control (CDC) website; <http://www.cdc.gov/vaccines/vpd-vac/default.htm>

Thank you,  
Terry Woodall, R.N.  
District Nurse
