8th Grade Graduation/After Party Volunteers Needed – June 20th

The 8th graders are nearing their final days before graduation and the fabulous party afterwards! The team that is handling the graduation would love your help even if you don't have an 8th grader. If 6th and 7th grade parents help it gives you insight about what's coming up for you as well as it allows the 8th grade parents to be able to fully participate in all of the special events with their graduate. Please check out available openings: <https://www.signupgenius.com/go/10c094fadae2fa7f49-ntms>

Parent Info Night – June 12th

The Special Services Advisory Committee is inviting you to attend the first Parent Info Night. They are looking to receive feedback on future topics and community needs. They would like to bring parents and guardians together and help foster the connection with each other and staff. There will be light refreshments provided along with a short informational/inspiring TED talk. This event is intended for adults only and no childcare will be provided. Please see attached flyer for more information.

Where to find us

For additional information and discussion please join our private Facebook group at <https://www.facebook.com/groups/ntmsptsa/> & you can visit our website at: www.ntmsptsa.org.
